**“It's the most fun you'll ever have getting lost!”**

A warm family welcome awaits you at our dairy farm. You will be doing a puzzle in what will become our cows' Christmas Dinner, as it will be harvested and fed to our 150 cows.

Their milk is then used to make our **Maizie Moo Real Dairy Ice-cream**

Have fun with our quiz whilst solving the intricate puzzle. Our team of Maze Masters are always on hand to help.

**“Run by our family for your family”**

**You could be there 'til the cows come home**

**Tractor and Trailer Rides**  
with Farmer Jim, to see his cows, calves and a new wind turbine.

**Children's Parties,**  
unique fun, with BBQ food and homemade ice cream.

As well as families, playschemes, cubs, scouts, brownies and guides returning annually we make a great venue for an office “awayday/team bonding” experience.

**Torchlight Nights** - such a success; we will be holding them every Saturday in September (subject to weather).

Enjoy the village fete atmosphere with traditional themed games and puzzles. We also have pedal Go-karts, Hoppers and Bales to play on.

You'll find a “Real BBQ” with homemade burgers along with hot and cold drinks. Finish your day with our own farm-made Maizie Moo Ice-Cream – even take a pot or two home!
